Our June Sale is the kind of a value giving event only better so far as value is concerned. You can save more money, conse-

"SUCCESS"

The successes in business that have been won on a foundation of cheapness are few.

Real success follows worth and worth commands its price.

The dealers in cheap trashy Clothing are rapidly disappearing.

The firms in evidence to-day are those that have aimed at and furnished goods of a high standard of excellence.

Such firms are selling better Clothes and more of them every year.

Season after season we have handled and recommended PROGRESS and 20th CENTURY make of Clothing simply because we have found none better, and we recommend them this season with greater confidence than ever.

We give our undivided attention to the dressing of Men and Boys. We can do it to your entire satisfaction.

SUCCESS"

The successes in business that have been won on a foundation of cheapness are few.

Real success follows worth and worth commands its price.

The dealers in cheap trashy Clothing are rapidly disappearing.

The firms in evidence to-day are those that have aimed at and furnished goods of a high standard of excellence.

Such firms are selling better Clothes and more of them every year.

Season after season we have handled and recommended PROGRESS and 20th CENTURY make of Clothing simply because we have found none better, and we recommend them this season with greater confidence than ever.

We give our undivided attention to the dressing of Men and Boys. We can do it to your entire satisfaction.

Let us tell you the WHYS and WHERE. FORES Let us give you some plain open-faced Reasons

Why the July Clearance is the Greatest Sales Event of the Year

BECAUSE .- Surplus Stocks must be moved. we cannot allow them to accumulate. Stagnation is the death of trade.

BECAUSE--Spring and Summer Goods must be hurried out regardless of cost and profits, there must be quick action.

BECAUSE--To effect this we must cut prices boldly and fearlessly. No half-hearted business about it.

BECAUSE -- The price cut effects every line and every department, goods at cost or less, all over the store, no reservation.

BECAUSE -- It follows as a matter of fact that values are greater and prices lower for quality than other seasons.

BECAUSE -- Well if you require further reasons. look for them in the following items. We have given you Facts. Here are Figures.
